Hi All,

Thank you for clarifying.

I will make sure I double check as well so that locations don't overlap!

Those locations are correct, it seems, I had later added Riverside/170 fwy and missed that in my thread of emails while checking our locations for today. I apologize for that! Additionally, the division should be North Hollywood, not Foothill--it is listed as North Hollywood in my emails.

Good morning,

I hope everyone is doing well during this difficult time.

I just wanted to bring to your attention that I have noticed that on Mondays, when CARE&CARE+ run together, the scheduled locations have been overlapping.

To prevent any confusion or any sensitive issues, on Monday's, can we schedule different locations for those teams?

Let me know if you have any questions or concerns.
